Conrad V. Dykeman

CONRAD V. DYKEMAN was born in Brooklyn, N. Y., of old Dutch stock, his parents being William and Emily Verplanck Dykeman, and has resided in Brooklyn all his life. He has been active in all civic movements for the benefit of Brooklyn, and while an extremely busy man in his business, has always found time to engage in undertakings that were beneficial to his fellow citizens.

He has been connected with the Prudential Insurance Company practically all his business life and is now Dean of the Company. He was one of the incorporators of the Brooklyn Institute of Arts and Sciences, and served as President of its Department of Political Science. He also organized the University Extension courses in Civil Government, American History and Political Economy.

Mr. Dykeman in his activity in civic movements helped Theodore Roosevelt pass the first mandatory Civil service bill in the New York Legislature. Mr. Dykeman served as President of the New York Life Underwriters Association; as President of the Bushwick Hospital in Brooklyn, which institution owes much of its success to his remarkable ability to master and accomplish results.

The work nearest to Mr. Dykeman's heart, however, has been that which he has so heartily undertaken for the benefit of underprivileged boys, and for a number of years he has been President of the Board of Trustees of Boys Welcome Hall in Brooklyn and head of the Rotary Club Committee for boy's work in the Boro of Queens.

Mr. Dykeman has been active in the organization of several financial institutions and at the present time is a Director in several banks and trust companies in the City of New York. He is also a member and present Commodore of the Brooklyn Yacht Club, one of the oldest Yacht Clubs in the country, a member of the Crescent Athletic Club, Economic Club, Masonic Club, Bowling Green Club and Chamber of Commerce, all of Brooklyn.

He was raised in Greenpoint Lodge, No. 403, F. & A. M., exalted in Altair Chapter, No. 237, R. A. M. Knighted in St. Elmo Commandery, No. 57, K. T., and received the degrees of the Ancient Accepted Scottish Rite in the Aurora Grata Bodies in Brooklyn.

He was created a Noble of the Mystic Shrine in Kismet Temple, January 31st, 1896, and served as Potentate in 1906-1907. He was first elected a representative to the Imperial Council in 1899 and has served continuously since that time.

The Masonic and Civic record of Noble Dykeman gives but little idea of the influence of his solid, substantial and genial personality upon all with whom he has come in contact, and he occupies a large place in the hearts of the citizens of the city in which he lives, and of the Nobles of the Mystic Shrine, by thousands of whom he is well known and well beloved.

THEODORE B. ELTON
ILLUSTRIOUS POTENTATE OF KEM

POTENTATE'S

PROCLAMATION

To the Nobility of Kem Temple Es Selamu Aleikum

A SPRING CEREMONIAL of Kem Temple will be held on Thursday, May 15th, 1924, at which time our Temple and its Nobility will be honored by a visit from Illustrious Potentate Conrad V. Dykeman. It is not often that our Temple has been so fortunate as to be favored with the presence of the Imperial Potentate at a Ceremonial session, and it is the hope of your Divan that the Nobility will attend in larger numbers than ever before, and that a class of not

less than fifty candidates will be initiated into the order at that time. The prospect for this number is very bright, but every loyal Son of Kem should bear in mind that it is his duty to insure the attendance of a goodly class by overlooking no opportunity to persuade eligible novices to submit applications. Candidates are the life of a Ceremonial, and if you want a real lively time on May 15th, don't fail to get busy. Every Noble bringing in a candidate will receive an invitation to a special noon banquet to be given in honor of the Illustrious Imperial Potentate, so procure your invitations early by sending in an application and seeing that the candidate reports for initiation.

Your officers are planning "something different" in the way of a second section, and it will take the form of a Water Ceremonial to be held in the stock pavilion where the Shrine Circuses have heretofore been held. Director Vanderhoef has many new stunts on tap, and if the sands of the Desert become too hot for any of the novices, they can easily and readily be cooled and refreshed in the incorruptible waters of Kem.

Kem Temple has always enjoyed a most enviable reputation for the character and the success of its Ceremonials, and it is to be hoped that this reputation will be sustained and perpetuated, and that all Nobles will rally to the support of the officers of the Temple and assist in exemplifying, at the coming Visitation Ceremonial, the true Moslem spirit, and impressing upon our Illustrious Imperial Potentate, and other visitors from outside Temples who may attend, that the Oasis of Kem is one of the most refreshing and delightful spots in the great Desert of Shrinedom. Aleikum es Selam,

Thos. B. Elton

Potentate.

The Recorder's Ravings

C. H. Banner

THE 1924 annual membership cards will be necessary for admittance to this Session, and it would be well to get yours before Ceremonial Day. Avoid the rush, and have it with you. No passes will be issued and the Outer Guard will not accept excuses. Send SEVEN DOLLARS to the Recorder NOW for 1924 card, and, if in arrears, send remittance to cover same and be in good standing on Ceremonial Day.

You cannot be vouched for as being in Good Standing. This is the Imperial Potentate's Ruling and we must obey. Put your card in your pocket when you read this.

FEES FOR THE ORDER

Candidates will report to the Recorder in Masonic Temple on the day of the Ceremonial (May 15th, 1924) as soon as convenient after ten o'clock A. M. to sign By-Laws, pay the balance of the constitutional fee, dues for the remainder of the year and for Fez. For the information of prospective novices, the following schedule of expense is submitted:

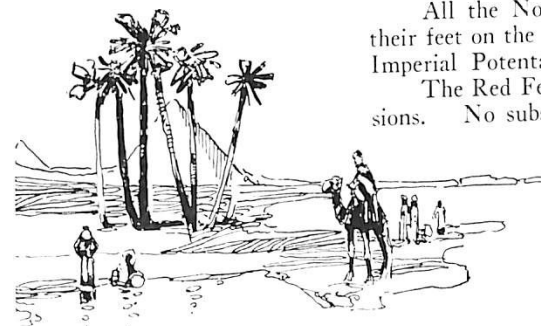

| | | | | |
|--|---|---|---|---------|
| Fees for the Order | - | - | - | \$75.00 |
| Assessment Shriners Hospital for Crippled Children | - | - | - | 2.00 |
| Dues, balance of 1924 | - | - | - | 3.50 |
| Fez | - | - | - | 4.50 |
| A total of | | | | \$85.00 |

IMPERIAL EDICTS TO ALL TEMPLES

All the Nobility must be brought to their feet on the reading of all orders from Imperial Potentate.

The Red Fez must be worn at all Sessions. No substitute or any other head-gear is in order.

The membership cards for the current year must be shown to obtain admission to any Temple. Sec.

Two, Article 14, of the Code must be strictly complied with.

Your attention is brought to Section 9, of Article 2, of the Code which strictly prohibits females from appearing in any Shrine parade, and it is my order that this prohibition be extended to include Nobles dressed as females representing Turkish or Egyptian dancing girls.

LOST CARDS

There is now a serious problem that presents itself: the loss of cards by careless members. In many cases they have fallen into the hands of the profane, who adopt the name of the owner, and use the card to work the Nobility for loans, cashing worthless checks, etc.

Hold tight to your card, guard it as you would a precious treasure.

The question of the imposter reverts to the carelessness of the individual member with the Shrine card, and it has been suggested that the issuing of "duplicate cards" should be prohibited.

The Imperial Council produces a card that can not be easily forged and which can not be altered, and that is all it can do.

It has been learned that there is an organized traffic in the year cards of all fraternal organizations. It is felt that the best solution is for the Imperial Council to pass a law forbidding the issuance of duplicate Shrine cards. If such becomes a law, "no duplicate card may be issued under any circumstances." You will have to be careful for you will be "out of luck" the remainder of the year.

CHANGE OF ADDRESS

If you desire to have your address changed on the Recorder's records, please make a definite request that the change be made. A letter post-marked from another town with no request for a change does not call for changing your address, and the Recorder wants you to receive your mail promptly, so that you won't miss any of the good things that are going on.

ADDRESSES WANTED

If any member knows the address of the following Nobles, kindly send to your Recorder, he will appreciate the courtesy:

WIDOWS' AND ORPHANS' FUND

The assessments must be paid promptly. If convenient to you, would suggest that you pay several at once. Many Nobles pay five, ten or even more. Bookkeeping and postage are saved when this is done. Also remember that the initial payment of \$2.20 is the admittance fee and does not apply on your assessment account.

It has also been suggested and very wisely that, when application is made to a Noble for assistance, financially or otherwise, such applicant should be referred to the Recorder of his Temple, instead of being given the assistance asked for. The Recorders are in much better position to ascertain whether or not the application is deserving or is an imposter.

Nobles should bear in mind that they must retain their standing in a Commandery or Consistory to hold their membership in the Temple. Suspension in either of these bodies means that the Shrine must automatically drop the member thus suspended, even though he may be in possession of the card for the current year or even be a Life member of the Shrine.

It is very important that members should affix their signature in the space provided on the face of their membership card just as soon as received by them, thus giving the Shrine and themselves the protection that each deserves. This will aid in minimizing the danger of unauthorized and unscrupulous persons using the card in case it is lost.

Be sure to warmly greet and welcome visiting Nobles from other Temples and see that they are properly entertained.

The Imperial Code of our Order makes it obligatory upon the Potentate to rule that there be NO SMOKING during the First Section. Heed well this Order.

FOUND: About June 15th, 1923, a Masonic Knight Templar charm. Owner please write J. W. Jones, Commercial Hotel, Stanley, North Dakota, and he will be glad to send it to the owner.

All Nobles are requested to advise the Potentate or Recorder promptly of any death, sickness or distress of any member of this Temple as we wish the opportunity to remember them and assist where possible.

If you intend renewing or taking out a new subscription for the Crescent, do it through your own Temple. Do not send direct to St. Paul, as your Temple does not benefit unless the subscription passes through our Temple.

If you see a Recorder who has never made a mistake and has pleased everybody, remember that there will be a glass plate over his face and he will not be standing up. Some one has been batting him in the face with a spade.

Thanks Nobles: Every now and then—occasionally oftener—the Recorder finds a little greeting or word of encouragement on the margin of a bill or on a slip of paper accompanying a remittance. On account of stress of work reply cannot be made to all of them, but I sure do appreciate the little personal messages. They make a fellow feel that there is a touch of humanity and sentiment in all of us, though we some times hate to acknowledge it.

The Widows' and Orphans' Fund

KEM Temple Widows' and Orphans' Benefit Fund was organized May 20th, 1918, and at the present time boasts a membership of 1105. It is as good as any similar organization anywhere in the United States. The membership fee is only \$2.20 and assessments of \$1.10 each are levied when necessary to replenish the Reserve, or Mortuary, Fund.

Upon receipt of notice by the Recorder of the death of a member, \$300.00 in currency is immediately paid to the beneficiary of such member. Almost in every case, upon the sad occasion of the death of a member of the Fund, payment has been made upon the same day that death occurred—by wire whenever necessary, and often within an hour or so after notice of death. A substantial amount of cash is thus immediately available, relieving relatives of financial embarrassment at a time when funds are needed.

During the six years of its existence, there have been forty-seven deaths among the members, and \$14,100 has been paid to beneficiaries. However, during this time only sixteen assessments have been levied, which is an average of less than three assessments per year, and during each of the years 1922 and 1923 only three assessments were levied.

Nobles! Do you really believe you can afford to remain on the outside? The Committee on Petitions, or the Recorder, will gladly serve you.

"Help! Help!" screamed the cave man's help-mate. "What's up growled the Neanderthal. 'Help!' she answered, 'a saber-tooth tiger is chasing mother.'" "Oh, Thunder", roared the cave man happily "What do I care what happens to a saber-tooth tiger?"

A colored lady recently entered Noble Ned Hawkins' store at Beckley and asked for some black underwear.

The clerk told her that she had none of her somber hue in stock, but could supply her in almost any other shade or color.

"It's black or nuthin', young lady," answered Mammy. "It's jest gotta be black, thas all! Youah see ma man he jest took a trip across de ole rivah Jordon, and when Ah mourns—Ah mourns all ovah!"

HOW SHOCKING

Sweet Young Thing:—Doctor, I think I ought to be vaccinated; but hate to think of the ugly scar showing. Where would you suggest as the best place in my case?"

Doctor Amick:—"With the present styles, you had better place the vaccine in a capsule and swallow it."

In Memoriam

Passed Within the Unseen Temple

*Each moment of life a messenger comes,
 And beckons man over the way;*

Through the heart sobs of women and the rolling of drum

The army of mortals obey.

Our lips they have kissed, but a motionless brow

A face from each fireside has fled.

But we know that our loved ones are watching us now

In the land of the beautiful dead.

Past Illustrious Potentates

THE Great Dynasties of Kem. Able Kings of the Desert who have reigned and guided Kem through many great battles against the infidels and heretics. Through their untiring efforts, aided and abetted by a great host of loyal nobles, the Great Oasis at Grand Forks has bloomed and prospered. There the palms are the most stately, the breezes are sweetest, the myrrh and incense the most delectable and the camels the finest in all the Desert.

"And the Greatest of these is Charity"

A STRAIGHT CHILD

Many of us read a lot about "orthopedic surgery" in reference to the Shriner's Hospitals for Crippled Children without knowing precisely what it means. The big fat dictionary defines "orthopedy" as the art of practice of curing the deformities of childhood, but Nobles learned in the ancient Greek find the word derived from "a straight child." And that is what your hospitals are doing—receiving warped little bodies, twisted little feet, bent spines, and sending them home again, "straight children." And, Nobles, you'll only have to see one of those little chaps, running and jumping for the first time in his life, to realize what a big work you are doing.

The orthopedic surgeon, as one of those in a Shrine Hospital explained to a visiting building contractor, is concerned principally with the framework of these little human structures—the bones which support them, as the steel supports an office building. The general surgeon looks after the outer shell and interior decorations.

But we do go farther in our Hospitals, while the little patients (it should be spelled "patience," as you'd say if you knew some of these smiling children) are in our care. For the surgeons treat tonsils and adenoids, the dentists straighten and fill defective teeth, the doctors build the children back to general health, and with carefully selected diet, fresh air and loving care, the children are sent away, not only "straight," but healthier and stronger and happier—with every chance to fight their own way through the world.

THANKFUL

"I'm thankful for the laughter and the music of the Shrine,
I'm thankful for the fellowship of friends that I call mine!
I'm thankful for the cheery smiles that light life's stretch of sand,
For every word of greeting and for every friendly hand!
I'm thankful for the fellowship of all who wear the fez,
For his hand upon my shoulder and the things each Noble says,
The richest compensation for the hours of care is mine,
And I'm thankful for the music and the laughter of the Shrine."

Remember that the only thing on earth that is really what it is cracked up to be is ice.

Don't grieve if your act is not appreciated. The chances are that you are funnier than you feel.

Leave your dignity at home. If you bring it along you'll lose it.

DON'T WORRY DEAR CANDIDATES

Recent rumors have been to the effect that candidates who have committed themselves by signing petitions to become Nobles of Kem Temple are becoming rather nervous and to these candidates this assurance is penned.

Illustrious Potentate Theo. B. Elton has the physical welfare of the prospective Shriner at heart and has therefore appointed a medical staff to be on hand at the Ceremonial and to patch up any candidate who may get in a "jam."

Smile if you wish, but don't be hilarious. It may be taken for delirium.

It is hoped that every Noble residing in Grand Forks will voluntarily report for duty under the various Reception Committee Chairmen, and thus constitute one immense "Glad-U-Kem" Committee to greet visiting Nobles from outside Temples and out-of-town members of Kem. Automobiles will be available for trips about the city and for transportation to the Stock Pavilion, and Nobles should not hesitate to hop in any auto bearing the "Welcome" red fez. Let's make this a most cordial occasion for all the Nobility.
